Also present: Emily Willis, Paul Walters, Walter Rivera, Rita Botensten, Barbara Seixas, Carla Strauss, Stephan Leccese, Michael Guglielmo.

Excused from meeting: Trustee Anthony Casella.

On the motion of Trustee Parente, seconded by Trustee Iannone, and with Mayor Tanner and Trustees Parente, and Iannone voting "aye", and Trustee Siciliano abstaining, the Board approved the minutes of the regular Board meeting of August 14, 2017.

On the motion of Trustee Parente, seconded by Trustee Siciliano, and with Mayor Tanner and Trustees Parente, Siciliano and Iannone voting "aye", the Board approved the minutes of the agenda meeting of August 28, 2017.

On the motion of Trustee Siciliano, seconded by Trustee Parente, and with Mayor Tanner and Trustees Parente, Iannone and Siciliano all voting "aye", the Board approved the abstract of claims for August 2017 as follows: 20170092 - 20170204.

In the absence of Fire Commissioner Paul Walters presented the report for the East Williston Fire Department for August 2017. The department responded to a total of 23 calls during the month: six general alarms, 11 EMS calls, one chief's investigation, and five mutual aid calls to neighboring departments.

Commissioner Walters informed the Board that recently very large groups of youths have been congregating and riding bikes by the East Williston Train Station Pavilion and by the firehouse in the evenings. He relayed recent incident after a fire call where a trucks were returning to the firehouse. While the truck was backing into the firehouse, a youth on a bicycle decided to challenge the truck and rode behind it while it was maneuvering into the bay. Luckily Commissioner Walters saw the young person and stopped the truck.

He further stated that a fire truck full of water weighs 48,000 lbs. If the driver did not see the child, the situation could have turned tragic. After this, a second youth on a bicycle did the same exact thing while the ladder truck was being returned to the firehouse. When department members asked the young person to stop, the adolescent shouted profanities at them.

Barbara Seixas stated that large groups of youths walk congregate near her home late at night, causing disturbances. She has also heard them speaking to each other that "this is the place to hang out" (meaning East Williston). She said that the police have been called many times. Sometimes they show up and sometimes they do not.

Mayor Tanner stated that the Village is aware of the situation. At the Board's agenda meeting, on August 28<sup>th</sup>, the police were called twice to the area.

Trustee Parente noted that the youths were coming from all over the area (Herricks, Carle Place, Mineola, to name a few neighboring areas). If one of the youths receives an appearance ticket to village court, the violation could haunt them for many years to come, even if the ticket is dismissed. For those applying to United States service academies, police or fire department jobs, the ticket will show up on their record.

She said we need parents to pay better attention to this issue and that Commissioner Walters was right; someone can get killed when respect for the firefighters and equipment is not heeded.

It was noted that video cameras capture activity in the area. Perhaps screen shots of the youths can be generated if that is possible.

Rita Botensten asked if the schools can be contacted to see if they can play a role in preventing this behavior.
