MAYOR PARENTE: Welcome, everyone, this evening. We do have a court reporter here because we have a public hearing that we'll do first. It should be fairly quick, and then we'll go on to everything else.

This is a recommended motion of the Board of Trustees adopts going to sound like 50 states here, Local Law 5 of 2024 amending Chapter 106-32 of the Village Code entitled Placement of Accessory Uses and Buildings Subsection D entitled "Driveways."

Yes, for anyone has been here before, we have done this a couple of times.

So Joanna do you want to go into the history and why we have a public hearing for this?

THE CLERK: Yes. We're doing it again this evening because we wanted to make sure that the Board had the verbiage of the text of the local law with the appropriate amount of time.

So they did not have it last time, so we're going to ratify it again tonight. That's why we are doing it yet again.

MAYOR PARENTE: These are all being done. Every once in awhile, you see we are doing some quick motion.

We adopt laws that were already on the books partly because of some old records we had when we did 8360, and we are catching up and making sure that everything is ratified properly so that one day somebody doesn't look back 10 years ago and say this wasn't done legitimately.

So I'm making this motion to adopt this now that we have the timing correct and proper.

Does anyone have any feedback, any opposition? Anything on this?

Do I have a second?

DEPUTY MAYOR GALLO: Second.

MAYOR PARENTE: Deputy Mayor Gallo.

THE CLERK: Mayor Parente?
