# INC. VILLAGE OF EAST WILLISTON

2 PROSPECT STREET, EAST WILLISTON, NY 11596

(516) 746-0782 • FAX (516) 746-3130

## TO ALL PLUMBERS:

We are a member of the Tri-Town Plumbers Agreement. Before you undertake any work in the Village, you must submit a Plumbing Application and furnish the following:

- a currently valid MASTER PLUMBERS' LICENSE, issued by a municipality which is also a member of the Tri-Town Agreement,
- a Certification of Competency, and
- a certificate of INSURANCE for public liability and property damage in the amount of \$100,000/300,000.00 with the Inc. Village of East Williston as the certificate holder and Workers' Compensation
- ***THIS INFORMATION MUST BE FILED FOR EACH JOB, REGARDLESS OF OTHER JOBS YOU HAVE PERFORMED OR ARE PRESENTLY UNDERTAKING IN THE VILLAGE. PLEASE SUBMIT COPIES WITH EACH APPLICATION.***

PVC will not be allowed on commercial or industrial plumbing. Exception may be made, with prior approval of the Plumbing Inspector, when such lines are to be subjected to certain caustic fluids.

NO HUB couplings cannot be used on underground soil lines without prior permission of the Plumbing Inspector. Such lines must be well supported and will be subject to a water test. A water test will be required on all waste and vent piping, as New York State Plumbing Code. The fee for each residential plumbing permit shall be \$50.00, plus \$15.00 for each fixture. **ALL CHECKS SUBMITTED FOR PAYMENT MUST BE DRAWN FROM THE PLUMBERS BUSINESS ACCOUNT - NOT FROM THE HOMEOWNER REQUESTING THE WORK.**

Business telephone numbers are required on all permits.

Requests for inspections must be made 48 hours in advance.

The licensed plumber must be present on all rough plumbing inspections.

THE PLUMBER MUST CALL WHEN JOB IS READY FOR FINAL INSPECTION OR NO CERTIFICATE OF COMPLETION OR FURTHER PERMITS WILL BE ISSUED.

GAS BOILER INSTALLATIONS REQUIRE GAS PRESSURE TEST FOR THE ENTIRE SYSTEM. NO COPPER ALLOWED ON STEAM BOILERS ABOVE THE WATER LINE.

LAWN SPRINKLER CONTRACTORS must provide a valid CONSUMER AFFAIRS LICENSE. Lawn sprinkler systems and DCVA connections must be installed by a Licensed Master Plumber meeting the same requirements as listed above.

**\*\*NOTE TO ALL PLUMBERS: CSST gas piping will not be allowed until further notification from Albany.**
